

Welcome to Regency Fabrication

Regency Fabrication is based in Warana on the Sunshine Coast. We have sales representatives servicing the whole of the Sunshine Coast and hinterland, all the way up to Gympie, as well as right down to Brisbane.

At Regency Fabrication our entire team is dedicated to bring you the highest quality product designed and manufactured to comply to Australian Standards, assuring that you, the customer receive nothing less than the best.

Our friendly Sales Representatives will be happy to meet with you and discuss your requirements so as to enable them to supply you with a free measure and quote. As all our manufacturing is carried out in our workshop, our staff, who pride themselves in attention to detail, will then custom make your product as per your specifications. It is then ready for our installers to install and make sure that it all complies with the regulations bringing peace of mind to you our client.

Being a multi-level company we supply many different types of products including glass balustrade, aluminium balustrade, stainless steel balustrade, aluminium and glass pool fencing, gates and privacy screens, to both commercial companies for high rise buildings and complexes as well as domestic clients and COD customers. Regardless of whom we are providing a service to we understand the need for meeting time frames on building contracts and the individual needs of our COD customers, assuring every client that we will do our utmost to meet all your requirements, whilst maintaining a high level of service and a quality product that you will not be disappointed with.

Please feel free to browse through our website and do not hesitate to contact us should you have any queries or require any further information.

Thank you for visiting Regency Fabrication.
